### SERMONS IN SENTENCES

Sin is sin. It is not changed by the passing of time, the number of participants, or the degree of social acceptance.

Sin, unrepented of and unforgiven ends in death of the soul/

Some are willing to do anything to become Christians, except give up their sins.

You might not mean to sin, but do you intend to stay in sin?

Sin loves darkness so that it can be concealed.

Sin can easily trap you, twist you, bind you.

If you find yourself in sin and want to escape; look to Jesus and obey His Word, only through Him, can you obtain freedom!!
