WE NEED SOME TIME

We all recognize that there is times when we need to get away for the ordinary things of the day.

Even Jesus would go to be alone to pray. He needed rest and to get away at times Himself. If he needed that then that is what we need at times also.

Regardless of how much we might like the work we are involved in we can get burned out.

Many preachers go through that because they spend all their time doing the Lord's work without taking a break for a time.

As for myself I like to get away for a day maybe to go into the woods to hunt deer or turkey during the seasons. Even if I

don't get one the time out from away from the everyday things help to make you feel better.

Sometimes people say when I leave work I leave the problems of the day there but in reality they are still with you in your subconscious lock up with all the questions and problems of the day.

Still those things that remain in the mind can come to the surface and disturb us.

So, it is good to get away for a while to help clear our minds. It may not take long maybe a day or two but it enables us to face our present situation with a greater confidence and renewed faith.

As said early Jesus needed some time for renewal. He withdrew to grow spiritual strength that He might meet each new day.

we being in a place alone can help us through prayer and meditation with our Lord grow and become refreshed in mind and spirit.
