CONGRATULATIONS!!

To our Bible students who have perfect attendance in July: Ally Haggard, Luke Newman, Max Parsley, Easton Townsend and Penelope ? We are proud of you ALL.

TO ALL OUR LADIES

The Food Coordinating program is being revamped. A volunteer group: **Dolores Morgan, Dixie Hart, and Judy Lineberger**, are working on a more efficient use of this program.

They will be calling a meeting of ALL ladies soon. If you have been participating and no longer wish to do so, they need to know.

If you have never participated and want to learn how to be of service in the church family, they need to know that also.

This is a very necessary program of service for the church family. Watch for the announcement coming soon.

OLD SCHOOL?

I was reading an article by Hugh Fulford, on the subject "Old School."

He was told by an elder's wife during a meal that his preaching was "old style". I not sure what she meant by that but, to me it would be a complement, because I always believe that "old style" or "old school", meant I was staying with what the bible teaches.

I suppose she meant that he needed to change his way of preaching. But, again to me, if someone is preaching the truth that is what God wants and is pleased. Maybe she was one of those that Paul mentions in 2 Timothy 4: 3-4 which says this: *"For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; 4 And they shall turn away their ears from the truth, and shall be turned unto fables"* KJV.

We have too many this day and time who want to be entertained rather than hear the pure healthy doctrine that will cause us to be convicted of sin and cause us to make the necessary changes in our lives.

Maybe some are like those during the days of Jeremiah when he preached "seek the old paths" and they said we will not walk in them.

So again to me the "old School or "old Style" is standing firm on the word of God and preaching the simple truths God has given to us by inspiration.
