Dear Brethren,

"We give thanks to God, the Father of our Lord Jesus Christ, praying always for you," (Colossians 1:3). Today we say, "thank you," as your contributions, and those like them, have helped us train gospel preachers for 50 years. To His glory, and in His will, we will continue to share the good news of Jesus until His return.

At Southeast, we are very thankful as we enter a new quarter and a new school year. We have five (5) new students/families joining us this Fall, and they are already off to a great start. Classes began today, and this looks like a great group of future preachers!

We are also excited about our new work, "Southeast Speaks." This month, we will begin posting interviews, YouTube videos, and Podcasts from Alumni, Faculty, Students, and Friends of Southeast. Join us on our YouTube channel, our website, or your favorite podcast provider. We hope the content we are providing glorifies God and edifies the brotherhood.

As always, if I can help in any way, or if you would like for a faculty member to come speak at your congregation, please don't hesitate to contact me (865) 691-7444 x330 or gwanderman@makingpreachers.com. Thank you, again, for all you do for Southeast.

In Christ,

Greg Wanderman
Director of Development, Southeast
