Dear Brethren,

As I write this letter, the students are busy studying for finals and wrapping up their assignments and projects for 1st quarter. It has been a busy, but rewarding, quarter. As a faculty, we are very pleased with the efforts and quality of the work of our student body.

The new students and their families are settling into life at Southeast. I had the privilege of teaching the 1st year students in Research Principles as well as their wives in the ladies Monday night class, Christian Evidences. I also had 2nd year students in Kings of Israel and Judah class.

It continues to be our great privilege to teach the gospel and train students in God's Word. This opportunity, of course, exists because of the generosity of the brethren. As a faculty, and on behalf of the students and staff, we thank you for all you do to help the work at Southeast.

Because of you, an untold number of people will hear the good news of Jesus as our students go out into the world to preach!

As always, if I can help in any way, or if you would like for a faculty member to come speak at your congregation, please don't hesitate to contact me (865) 691-7444 x330 or gwanderman@makingpreachers.com. Thank you, again, for all you do for Southeast.

In Christ,

Greg Wanderman

Director of Development, Southeast
