REDEEMING THE TIME

“Walk in wisdom toward them that are without, redeeming the time” (Colossians 4:5).

The idea of the Greek word “redeem” means to “buy back” to “ransom or even to rescue.”

You see time is very valuable and there is the danger of it being lost and regained or re-deemed.

When you think about it, time is just about the most valuable thing that we have. You can lose your money and perhaps regain it back. You may lose your health, but medical help at times can restore it again.

But if you waste time it is gone forever. You cannot get the time wasted back again. It is gone!

Paul writing by inspiration, is saying that a wise person will redeem the time, whereas a foolish person will waste the time, or misuse it in some way that is not profitable.

Paul said this: *“See then that ye walk circumspectly, not as*

fools, but as wise, 16 Redeeming the time, because the days are evil” (Ephesians 5:15-16).

It is the time that God has given to each one. And how are we using the time we have here on this earth? The time we have here should be used carefully and diligently.

You realize that we only have a certain number of days on this earth.

The psalmist said: 10. *“The days of our years are threescore years and ten, Or even by reason of strength fourscore years;”* 12. *“So teach us to number our days, that we may apply our hearts unto wisdom” (Psalm 90:10 & 12).*

Since time on the earth is short even at the longest one lives it is imperative that a person takes advantage of the time God has given to seek the Lord while you have the time.

RH

Serve God while you can, as time goes by, so will your abilities! Now is the day to do all you can. BE an example!
