### DOES THE SPIRIT OF THE DECEASED RETURN IN SOME FORM?

I want to say this: there are a lot of ignorant people in our world that have no Biblical sense whatsoever.

I just read an article about a person who believed that the spirit of her grandfather

came back in the form of a baby deer, she discovered at his gravesite. The deer was making sounds.

The article said “sometimes when we are grieving, we look for signs of our loved ones around us in the world”.

The article went on the say; and I am using parts of the article “He was with you. He absolutely was.”

“It may not be clear what exactly he was trying to say through those little sounds, but we think there's no doubt about his presence.”

In other words the spirit of the grandfather was speaking from the baby deer. Notice this poll that was taken by 108 responses.

**Do you believe that a loved one has ever returned in another form to visit you after they have passed?**

**39% No, I don't**

**41% Yes, I do**

**14% A little bit**

**6% Other / No opinion**

If you notice 41% believe this kind of stuff.

I have never read in the bible were the spirit returns in any form in an animal or in any other way.

The Bible says the “ spirit goes back to God” who gave it. **Ecclesiastes 3:21**

**“Who knoweth the spirit of man that goeth upward, and the spirit of the beast that goeth downward to the earth?” Ecclesiastes 12:7 “Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.”**

This just shows us how unknowledgeable people are concerning God’s word. Please study God’s Word! RH
