**ONE GENERATION FROM EXTINCTION OR APOSTASY**

*“Freedom is never more than one generation away from extinction.*

*We didn't pass it along to our children in our bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free.”* President Ronald Reagan.

Think of this statement and then think about the Lord's church. We have often said that we are just one generation away from apostasy, unless we pass on to our children and grandchildren the glorious gospel of Christ.

It must be passed down to them in order for the Lord's church to continue to be sound and faithful.

Paul speaking to fathers said this: *“And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the*

*Lord”* (Ephesians 6:4).

I am afraid that some of us have failed in bringing our children up in the teaching of the Bible, so that they will become strong in the faith and will continue to keep the church pure and the doctrine a standard.

They say we are losing a big percentage of our children after they leave home and go to universities or college. Unless grounded in the faith they can be easily lead astray and give up the faith.

Let me again say to you bring your children to Bible class, and read the Bible with them at home, so that they will be able to know the truth and lay it to their hearts.  
R.H.
