A NEW DAY

“They are new every morning: great is thy faithfulness” (Lamentation 3:23).

We need to think of each new day as something new, a day that has never been used.

When Paul was on the road to Damascus it was the beginning of what would be a new man in Christ in a few days. He would certainly in a few days be starting a new life.

Each of us rise every day to a new day to begin all over again.

The failures of yesterday are to be forgotten, and the promises that await us tomorrow must demand

our attention as we look forward into the future.

We owe it to ourselves and to the God we serve to persevere each new day of our lives that we might be useful in living in such a way to influence and win others to Christ. MORNING PRAYER.

I think there are things that should lead us to pray each morning before we begin our day. We sing a song that says “ere this morning did you think to pray”?

Morning prayers helps us develop a greater relationship with God. It helps to strengthen our faith and keeps God always at the center of our lives.

It is a means of communicating with God. We desire His presence in our lives and prayer helps us focus on God as we begin our new day.

It is a time when we are able to go right into the throne room through Jesus our High Priest to beseech God’s blessing not only for ourselves but for others who need our prayers.

It is a time to ask God to help us to live in such a way to be a good example of what a Christian is to be as we face the world.

So did you this morning think to pray?
