THE IMPORTANCE OF TODAY

A question we need to ask ourselves from time to time is, "How do I spend the blessed currency of time?" "Right now" is something each one living on the earth has in common and while multitudes of precious souls are being born into this world "right now," multitudes of precious souls are also hurdling into eternity "right now." Many of the souls leaving their earthly body wish – "right now" – they had a few more minutes to do things they must leave undone.

"Today" Is All We Have!

Today is the most important time for each one of – because it is all we have! We are not promised next year, next month, next week, or even tomorrow. Today is important because it is when we can make the "choice" to obey, to encourage a brother or sister, to take the first step in living a life for Christ... to find one's life in losing it (Matthew 16:25).

What Is Your Life?

James says that our lives are as a vapor that appears for a little while and then vanishes away (James 4:14). Our life, like the morning fog, vanishes in the heat of the sun. A day in our earthly life is a

valuable and precious gift because it is soon over.

We are not promised tomorrow. "Today" is all we have. James gives us instructions on what our attitude should be concerning "Tomorrow". "Instead you ought to say, 'If the Lord wills, we shall live and do this or that.'" But now you boast in your arrogance. All such boasting is evil.

Therefore, to him who knows to do good and does not do it, to him it is sin" (James 4:15-17 – NKJV). We must, like the five wise virgins, make preparations for the Lord's second coming. Will Jesus find us "watching" and "waiting"? (Matthew 25:13).
