CHRISTIAN INFLUENCE IN THE WORLD

Matthew 5:16

We realize that the world is divided into two kinds of people.
You have those who believe and then you have the unbelievers. The first is seeking to please God and the other is proud, self-sufficient, and are not concerned with righteousness.
So, we as Christians are to do our best to influence the unbeliever by what the Christian is and not what he has. Jesus, in the text speaks of salt and light. That is what we are to be in this world to influence the world.
Now the way we can do that is that we must interact with this world that is full of corruption and darkness. We must be that salt and that light to seek to free people in darkness by obedience to the gospel.
But, if we as salt have lost our savor then we no longer have the ability to influence. We become good for nothing but like salt to be cast out.
We have become no longer of any use. Jesus also said you are a light of the world. What we are reflect is Christ's light.
So therefore we must shine before people in darkness, that they might see the light and come to Christ and glorify the Father.
