CHRIST THE PHYSICIAN

"But when Jesus heard that, he said unto them, they that be whole need not a physician, but they that are sick" **(Matthew 9:12).**

The cure which Jesus imparts to the sin-sick soul is radical, universal, and abiding. He heals every wound, and restores every faculty: he gives beauty for deformity; strength for weakness; and promising health for sickness and ruin.

How important that we discover our true state and condition. Hath he healed us? Have we been convicted of sin, have we hated it, and have we been delivered from it?

Have we the signs of spiritual health upon us? Do we live in the exercise of godliness? Is the pain arising from a consciousness of sin, been removed?

Have we the indwelling of the word which testifies that we are the child of God? Has our spiritual health been carefully cultivated?

Are we avoiding all that is destructive to the soul? Do we cherish the word of God and are we growing in the grace and knowledge of the Lord Jesus Christ.

If you are spiritually sick, and have no use for the physician you will certainly perish. There is no other balm in Gilead, nor any other physician to help.
