THINGS THAT ARE BETTER IN THE BOOK OF HEBREWS

There are some key verses in the book of Hebrews.

The Hebrew Christians, to whom the book was written to were beginning to drift away from the truth and go back to Judaism.

So the writer in several verses, began to ring out a reason why the new covenant is so much better. Under the Law of Christ we have

so many things that are better. I want to mention about nine of those.

We have a better Hope (Heb. 7:19).

We have a better Covenant (7:22; 8:6).

We have better Promises (8:6).

We have a better Sacrifice (9:23).

We have better Substance (10:34).

We have better Country (11:16).

We have better Resurrection (11:35).

We have better Blessings (11:40).

We have better Blood that speaks of better things (12:24).

With everything better under the new covenant why not obey the Lord and be saved BY that which is better.
