THINK ON THIS

“When Christians work together, they divide the effort and multiply the effect.”

“When weighing the faults of others, be careful not to put your thumb on the scale!”

“Criticism, like rain, should be gentle enough to nourish ones’ growth without destroying one’s roots.”

“If your faith will not take you to worship, what makes you think it will take you to heaven?”

“People take your examples far more seriously than they take your advice.”
