“LIVE LIFE ON YOUR OWN TERMS”

This was a quotation from Oprah Winfrey from a report on the Internet.

She said this after living for more than 30 year with Stedman Graham. This she was saying after she learned one overwhelming lesson from her decision not to marry.

Even though she has done many good things for people in different parts of the world.

She has had much influence on women and girls for many years. Many think she is some great person and maybe some have tried to model their lives after her life.

The man she has lived with for over 30 years had been married before and has a daughter now married with children.

On her podcast Super Soul Sunday, the media mogul said at the time she wanted Graham to want to marry her. But once he ask the question, she panicked.

He wanted to marry Oprah but she was involved in writing a book so he suggested they postpone the ceremony until the book was finished and they never discussed marriage again.

She said “I realized I don't want to be married,” she said in the December episode.” “...Because I couldn't have (had) the life I created for myself.”

“When people were pressuring me to get married and have children, I knew I was not going to be a person that ever regretted having them, because I feel like I am a mother to the world's children,” Winfrey told Good Housekeeping UK in early 2017.

She said, “I didn't want babies. I wouldn't have been a good mom for babies,” Winfrey said, “I don't have the patience.

My point is this. Here is a celebrity who has had powerful influence on so many women and young girls and here she is living with a man and not married.

She is living a life of fornication and what kind of influence is she having on all those women and young girls who think she is such a great role model.

Is she a good role model? Of course not when it comes to marriage and the home. She is by her example saying to the world of women and young girls that it is okay for you live with a man to whom you are not married.

Why do so many admire a fornicator and praise her so much.

Hebrews 13:4 says this: **“Marriage is to be held in honor among all, and the marriage bed is to be undefiled; for fornicators and adulterers God will judge”** (NASU)

May our young girls seek virtuous role models as examples rather than those who live in open sin with no regrets?
