Dear Brethren,

Churches of Christ Disaster Relief Effort, Inc., received your support check, dated January 3, 2019 and it was greatly appreciated. We could not continue the Lord's work without the financial support from you and others.

We are currently sending supplies to Illinois due to a tornado. California is receiving supplies because of the forest fires. Florida and Georgia were hit by Hurricane Michael and they are receiving supplies. North Carolina and South Carolina have been devastated by Hurricane Florence; they have also been receiving assistance. Flooding has been heavy in Texas and we have sent supplies to them, also. We are prepared to send more shipments of food, baby supplies, cleaning products, personal care items, water, appliances, bedding, and other needed supplies to disaster victims.

We have enclosed the most recent "Summary of Relief Assistance" which shows the locations we have assisted January through December 2018, and a summary of assistance in 2017.

Thanks again for your support, and please keep us in your prayers, as we continue to help others in need.

Yours in Christ,

Mike Lewis

Mike Lewis, Executive Director, Churches of Christ Disaster Relief Effort, Inc.
