**WHO IS THIS JESUS?**

**In the world today we know there are many Mega churches that do not hold the truth about life and the teaching of Jesus.**

**There is an important question that we all must ask ourselves. The question deal with who Jesus is and did he tell the truth?**

**C.S.Lewis gave three things about who Jesus is. "Either Jesus was telling the truth, or He wasn't.**

**If He wasn't telling the truth, then He must have been a liar or a lunatic.**

**If He was telling the truth, then He is the Lord.**

**Was Jesus lying about God? If so then it was a big one. And if this is true then we would have**

**to question everything else he had to say.**

**No one ever caught him in a lie or even in a sin.**

**Fact is, when the Jewish leaders were trying to have him convicted, His complete innocence was acknowledged in court many times.**

**Not only that, but if Jesus was a liar, don't you think that the disciples would have figured that out? And if so they would have known that he was a fraud.**

**Then they would have walked away and gone back to their fishing and tax collecting. Instead, we see them putting their trust, their hope, their future and even their lives in His hands.**

**These disciples died believing and trusting in who He was and what He taught.**

**RH**

**Reputation is what people think about you. Character is what God knows you are.**

**"I must do something" solves a lot of problems."**
