FOUNTAIN FILLED WITH BLOOD

A song that we sing many times says: "There is a fountain filled with blood drawn from Immanuel's veins; and sinners plunged beneath that flood, lose all their guilty stains."

Ever since man committed sin, God has used the agency of blood for cleansing. When Cain and Abel offered their sacrifices to God, it was Abel's blood offering that was pleasing and acceptable to God.

Hebrews 11:4 says, "By faith Abel offered to God a more excellent sacrifice than Cain" The idea of blood for sin becomes more apparent as one follows the history of God's chosen people—Abraham's seed.

It was the shedding of animal blood which kept them in covenant relationship with God. Yet, complete forgiveness looked forward to the coming Christ. "For it is not possible that the blood of bulls and goats could take away sins' (Hebrews 10:4).

Jesus is described in the Bible as a lamb that was slain, and with His blood we are cleansed. However, this stream of blood must be accepted by faith.

When one has the kind of faith that leads him to humble obedience, both at spiritual birth and until he dies, it can be truthfully said of him that he was redeemed by the blood of the Lamb.

"Though your sins are like scarlet, they shall be as white as snow; though they are read like crimson, they shall be as wool" (Isaiah 1:18).
