RESPONSE

Randy Fultz came forward Sunday stating that he would like to learn more about God and how to please Him.

He is being studied with privately to help him with knowledge and faith. Keep him in your prayers.

ARE WE USELESS!

When Albert Einstein was attending school his mathematics instructor encouraged Einstein to drop out and do something more “constructive” with his life.

It was totally useless for the teacher to try to convey the logic of mathematics to one who could not comprehend, the teacher reasoned.

Today we recognize Einstein as the wizard of the world of mathematics. His knowledge is recognized by all, as most outstanding.

David Sarnoff sold newspapers to help his poor mother maintain shelter and health. He constantly read all he could about electronics and was told that it was useless to waste his time in unimportant matters. Later, he became a top executive in the Radio Corporation of America.

What man judges as useless in often highly regarded in the Kingdom of our Lord. We are created in the image of God and thus have received the highest compliment of all his creation.

How will we attempt to live for God? Will we succumb to the opinions of man or do the will of the Father, the only will that counts in the final day?

Every person in the kingdom is useful if we apply ourselves to doing well. But as Jesus said in: Matthew 7:19: “Every tree that bringeth not forth good fruit is hewn down, and cast into the fire”.
