

Dear TGOE supporter,

First off, thank you seems much less than adequate; however, we want to tell you how much we appreciate you. We know that you have not only supported us financially, but also in your thoughts and prayer. We count this as one of the greatest blessings of this work.

In 2018, we continue to have a lot of exciting changes at TGOE. For example, in April, we launched our new apps program for every platform, including streaming on AppleTV, Roku, and FireTV. To date, we have had almost 3,000 downloads of the apps, with well over 10,000 opens! In July, we launched "newsletter" 3.0 that is served directly from our own website bypassing many spam filters and giving us much more control and a better look. In the past few months, we have been in discussion with our broadcast partners to ensure that we are getting the best packages and time-slots in as many markets as possible.

That isn't the only good news either! Not only are we sending out thousands of free DVDs and CDs all over the world, we have added FREE Digital Downloads to our website, allowing anyone in the world to download the files without having to wait for a physical copy! This also helps to decrease our costs. We continue to strive to offer these great lessons to everyone in the most feasible and economical format. In addition, here are a few of the other items of interest: new web feeds, daily Bible verse email and social media posting, weekly featured videos, and continuing to reach out through our field rep program to congregations.

It is certainly an exciting time at The Gospel of Christ with all these great new opportunities, as well as our broadcast audience reaching potentially around 65 million households - not including streaming channels. But, most exciting is the relationship that we have had with you as a supporter this past year either individually, or as a congregation. Without your help, we would not have been able to reach anywhere near the potential that we currently are able to reach and have plans for more exciting opportunities in 2019. All glory goes to God!

With the end of the year at hand, we wanted to reach out to you and **thank you** for your continued support and encouragement. We also wanted to remind you that your contributions are used in spreading the gospel message all around the world. We have recently heard of multiple baptisms and numerous Bible studies that TGOE resources were utilized, and we are encouraged that YOU were instrumental in that!

We would like to encourage you to consider helping us with a year-end contribution to this soul-saving work, that is tax-deductible, so that we can continue to take the WHOLE gospel to the WHOLE world! Would you consider helping us one more time this year? We hope you will consider doing just that, and we offer our thoughts for great blessings for you in the upcoming year!

In His Service,

Office
