PEACE

As we study the Bible it becomes evident that the word 'peace' is important. In fact it can be said that the human race has always sought peace.

There have been many ways suggested to find it, but be assured that there is no lasting peace apart from Jesus.

When we obey our Lord and follow His way, we will find peace. However, without the Lord, we will worry.

Worry can be defined as "over concerned for the future, but over concerned. When we are over concerned for the future, we worry about food, clothing, and even those things in which we have no control. Jesus taught against worry in Matthew 6:25-34.

Now eating, drinking, and clothing are important, but Jesus is saying, not as important as life here and in eternity!

Realizing this, we will treasure each moment now, and look beyond physical life with joyful anticipation!

To illustrate Jesus says look at the birds and you see that your Heavenly Father takes care of them. Consider the lilies of the field and

He says that Solomon in all his glory was not clothed like one of these. Will he not much more clothe you?

So, why worry? Because Jesus said later, "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added to you."

But before this kind of peace can be possible, one must be faithfully in Christ!

How you been born again—born of the water and Spirit? This is the only way one can have peace of mind and heart.

He can bring you peace.
