## SACRIFICE

The word sacrifice is used many times in the bible. In the world in which we live where we are inundated with all the advertisements about so many creature comforts that are available to us.

The word "sacrifice" may not have much of a real meaning. However, those of us that are followers of Christ and are engaged in self-denial; should be very wary about the accumulation of personal possessions.

And of cultivating so much

earthly interests in earthly things. Many of the Lord's people have family obligations. These cannot be sacrificed legitimately.

According to the clear teaching of the Scriptures; with regard to our own personal time and needs, if done in a proper spirit, the Lord would be pleased to accept such sacrifices as a demonstration of our love for Him (Romans 13:14).

We are admonished to "seek first the kingdom of God, and his righteousness," and then the scriptures says he the Lord will provide things needful for us according to his will {Matthew 6:33}.

We must be very careful not to develop a spirit of covetousness or idolatry.

Do we sacrifice for the Lord?
