## A WORD TO THE WISE

“There is a way that seems right to a man, but its end is the way of death” Proverbs 14:12.

What do these words mean? When man walks and determines his own steps, his own course of life, not at all allowing Galatians 2:20 to be his philosophy of life, that man who walks in his own way has no future with the Lord.

He has simply deceived himself; in time his deception will be realized in a way that will be anguishing.

Let us choose wisely the Lord’s Way.
